

PROEXP019

APP DOWNLOAD:

Please download the Herc Rentals ProExpo app to your mobile device. The app is a **MANDATORY** asset to ensuring your ProExpo event is successful.

Features include:

- Tradeshow floor map
- Real-time agenda
- Activity stream
 - o Share pictures and comments with colleagues during the show.
- QR scanning
 - o Quick exchange of contact information with exhibitors.
- Notifications
 - o Agenda changes, event time reminders, transportation updates, etc.

Also, please be sure your phone can scan QR codes. iPhone users can do this through the camera app; however, Android users may need to download a QR code reader from the Google Play store.

Please make sure to familiarize yourself with the app before ProExpo as well as ensure your notifications are **ON**.
